

This policy applies to Mactech Energy Group Ltd and its subsidiary companies (as defined by s.1159 Companies Act 2006) or associated bodies corporate (as defined by s.256 Companies Act 2006).

Mactech Energy Group Ltd is a specialist supplier of subcontract personnel for construction, inspection, and engineering activities as well as associated Quality and NDT inspection services to the energy sectors worldwide. We focus extensively on Power, Nuclear, Oil, Gas, Renewables, Marine and Offshore.

Top Management is committed to ensuring compliance with all relevant statutory and legal requirements and Approved Codes of Practice.

We are committed to providing a professional, efficient and quality service which meets all of the requirements of our clients and customers.

Our commitment to providing a service of the highest standard shall be achieved through:

- Establishing and maintaining an Integrated Management System (IMS).
- Listening to clients and customer needs and expectations.
- Ongoing training and development of our employees.
- Continual improvement through measurement and review.
- Profitable growth and development of Mactech Inspection Limited.
- Adopting a "Right First Time" attitude and strive to be "The Best in Our Field".
- Clear Leadership.
- The provision of adequate resource and equipment.
- Clearly defined roles and responsibilities within our IMS.

Top Management are committed to and have ultimate responsibility for establishing and implementing the Integrated Management System; and shall ensure through training, instruction and supervision that Quality is the achieved.

Mactech Energy Group Ltd has a Policy of continual improvement and setting of Quality Objectives and Targets in line with the framework laid down within the relevant standards which supports the overall Mactech Inspection company strategy.

Risks will be reviewed and opportunities identified through all process stages from contract review to project close out.

The Mactech Energy Group Ltd.'s Quality Assurance Policy shall be communicated to all employees; it shall also be made available to external interested parties upon request, subject to approval from Top Management.

The policy is reviewed on a periodic basis. The updated policy will be communicated to all employees and made available to clients upon request.
